Protecting the health and safety of our Customers, Artists and Staff

Here at Silo Glass, as communities begin to feel the impact of Coronavirus (COVID-19), we have increased house-keeping/sanitization efforts.

All tools and surfaces are treated with hospital grade virucidal cleaner. Bathroom checks and cleaning cycles have been increased. Please help observe and assist us in these efforts.

When and wherever possible, whilst in the classroom, we will maintain a 3ft working distance.

If you, or a family member, has experienced any symptoms of COVID-19 – or any other contagious illness – we kindly ask you refrain from visiting the Gallery/Studio.

Additional information to help keep yourself and loved ones safe, we recommend visiting the CDC Website at [cdc.gov](https://www.cdc.gov).
